# SPRINGSIDE ELEMENTARY ANNUAL STAKEHOLDER REPORT, OCTOBER 2019

### School Land Trust Grant

Utah's School Land Trust Administration awarded \$100,245 to Springside last year, with a carryover of \$7,232 from the previous year. Funds were used to meet goals in Literacy, Math and Science. This included technology, teacher assistants, professional development, summer collaboration days for teachers, and equipment and materials.

The school spent \$106,447 and will carry the balance forward to goals for 2019-20.

**Springside has been awarded \$100,387 for 2019-20.** Funds will be used to fund teacher assistants, provide professional development and summer collaboration days for educators, and to purchase equipment and materials related to the grant. You can access more details and view the full grant and report at [schoolandtrust.org](http://schoolandtrust.org).

### School Goals and Results 2018-19

**Literacy Goal:** Show a 5% increase in reading benchmark pass rates.

% of Students at Reading Benchmark	Spring 2017	Spring 2018	Spring 2019
DIBELS (K-3rd grade)	68%	79%	78%
DRA (4th-6th grade)	79%	82%	74%
Combined	72%	80%	77%

**Math, Science, Literacy Goal:** Show an increase in the percentage of students who demonstrate proficiency on state assessments.

**Results:** State results are not yet available for public release. Preliminary measures show that Springside maintained or increased proficiency levels.

### Springside PTA

Thank you to the PTA for sponsoring the following and more: Back to School Open House, Choir, Red and White Ribbon Wks, Night at the Library, Arts Week, school play (Frozen), and spirit awards.

### Student Achievement

Teachers meet regularly as grade level teams in a goal setting and results cycle to explore student achievement and improve instruction. Student interventions are provided through targeted instruction based on assessment, Lexia reading software, teacher aides, and specific instruction developed by teacher teams.

### SHAZAM!

Springside teachers, students, staff, and parents are working together to collectively support student learning. When we combine our efforts, research shows that learning improves. Together, we are improving student understanding of essential knowledge, skills, and dispositions.
